

Dr Babasaheb Ambedkar Jayanti Ai Photo Prompt by Tech Khandesh & Tech Tirmale

Prompt 1 : FACE LOCK — Use my uploaded photo as the only face reference. Keep face 100% unchanged. No beautification. No reshaping. Preserve natural skin pores and beard texture.

DR. BABASAHEB AMBEDKAR — Must match authentic historical photographs: round black-framed glasses, neatly combed hair, formal navy blue suit, red tie, calm dignified expression, holding the Constitution of India book. No fantasy distortion. Divine effect from lighting only.

SCENE: Ultra-realistic hyper-cinematic dark studio portrait. The young Indian man stands in the foreground, head slightly bowed in reverence, wearing a black t-shirt. Dense white smoke drifts around his feet and shoulders. Golden sparks float in the deep black background. Behind him, Dr. Babasaheb Ambedkar emerges as a massive towering guardian presence — one powerful hand resting gently on the man's head as a blessing. Soft royal blue divine light radiates from behind Ambedkar Ji. The Constitution book glows subtly in his left hand.

LIGHTING: High-contrast moody lighting. Warm amber key light on main subject. Cool blue rim light around Ambedkar Ji. Volumetric fog beams. Deep dramatic shadows.

CAMERA: Low-angle dramatic perspective. Center-weighted vertical composition. Sharp facial focus. Shallow cinematic depth of field. Ultra-detailed 8K resolution. Professional cinematic color grading.

NEGATIVE PROMPT: incorrect Ambedkar face, cartoon, CGI, blur, plastic skin, extra limbs, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 2 : FACE LOCK — Use my uploaded photo as the only face reference. Preserve all facial features, skin tone, beard exactly. No AI beautification. No smoothing. Ultra-HD human realism.

DR. B.R. AMBEDKAR — Historically accurate face from archival photos: round spectacles, side-parted hair, calm intellectual expression, blue formal suit. No exaggeration. Divine effect from lighting only.

SCENE: Hyper-realistic vertical cinematic portrait set in a pitch-black room. The Indian man stands on the right side, wearing an all-black outfit and dark sunglasses, looking upward with

awe and reverence. His left hand extends forward and upward with palm open. From his palm, warm golden-yellow smoke swirls upward mixed with glowing white light particles. The smoke gradually transforms and materializes into the luminous, realistic face of Dr. B.R. Ambedkar — appearing as a divine guardian emerging from golden light and particles. His face glows with a soft gold-blue aura. Background remains deep black with subtle smoke haze.

LIGHTING: Strong cinematic contrast. Warm golden glow from smoke illuminating the man's face from below. Cool blue subtle aura behind Ambedkar Ji's manifestation. Volumetric smoke beams. Moody and intense.

CAMERA: Vertical portrait composition. Mid-angle cinematic framing. Ultra HD 8K. Sharp hyper-realistic skin texture. DSLR realism.

NEGATIVE PROMPT: cartoon, CGI face, distorted features, blur, plastic skin, watermark, unrealistic anatomy.

ASPECT RATIO: 9:16 vertical

Prompt 3 : FACE LOCK — Use uploaded reference as ONLY face source. Face must remain 100% unchanged. No reshaping. Natural beard and skin texture preserved. No AI look.

AMBEDKAR PORTRAIT IN FRAME — The large framed portrait held must show Dr. B.R. Ambedkar with historically accurate face: clean-shaven, round spectacles, neatly combed hair, navy blue suit, red tie, calm intellectual expression. Portrait must look like a real archival photo. Vintage ornate wooden gold frame.

SCENE: Ultra-realistic luxury editorial portrait inside a dim vintage garage. Subject wearing all-black outfit — tailored black blazer, black crew-neck t-shirt, slim black trousers, polished black Oxford shoes, dark sunglasses. He leans casually with one leg bent against the hood of a polished glossy jet-black vintage classic car (1960s style). Both hands holding a large ornate framed portrait of Dr. B.R. Ambedkar close to his chest. The car surface reflects dramatic light. Garage background dark with subtle concrete floor reflections. Moody expensive high-end atmosphere.

LIGHTING: Single overhead spotlight creating dramatic rim lighting. Sharp highlights on jawline and hair edges. Soft shadow falloff across face. Cool reflections on car surface. High contrast cinematic tone.

CAMERA: Low ultra-wide angle front close-up. Vertical portrait framing. 8K ultra-resolution. Professional DSLR editorial style.

NEGATIVE PROMPT: cartoon, CGI, distorted Ambedkar portrait, plastic skin, blur, low resolution, fantasy lighting, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 4 : FACE LOCK — Use uploaded photo as only face reference. Keep face 100% identical. No modification, no AI smoothing. Natural pores, skin tone, facial structure preserved.

DR. BABASAHEB AMBEDKAR — Historically accurate: round spectacles, neatly combed hair, formal black suit, calm dignified expression.

SCENE: Monochrome black-and-white fine art cinematic portrait shot in an open barren field. In the foreground, a confident young Indian man sits on a minimal metal chair, legs crossed, wearing all-black layered outfit — long coat, wide-leg trousers, leather shoes. He wears dark aviator sunglasses. He holds the Constitution of India book in his hands, head slightly bowed in contemplation. Behind him, Dr. Babasaheb Ambedkar stands upright in a formal black suit, towering protectively, his hand gently resting on the seated man's shoulder. The open rugged terrain has wind-blown wild grass. The sky is bright and blown-out, creating strong negative space.

STYLE: Matte monochrome finish. High-contrast lighting. Soft directional natural light. Deep cinematic blacks. Subtle filmic highlights. Luxury avant-garde fine art aesthetic. Medium-format fashion editorial framing. Subtle fine film grain.

CAMERA: Vertical 3:4 composition. Sharp ultra-clear facial focus. High quality without compression. Professional fine-art aesthetic.

NEGATIVE PROMPT: color, cartoon, CGI look, blur, plastic skin, exaggerated glow, watermark, low quality.

ASPECT RATIO: 9:16 vertical

Prompt 5 : FACE LOCK — Use uploaded reference photo as only face source. Keep all facial features 100% unchanged. No beautification. Preserve natural skin texture and expression exactly.

AMBEDKAR PHOTO IN FRAME — The portrait held must show Dr. B.R. Ambedkar with accurate face: round spectacles, blue suit, red tie, calm dignified smile. Must look like a real painted or printed portrait inside an ornate frame.

SCENE: Ultra-realistic spiritual cinematic portrait shot at golden hour at a Buddhist temple site. The young Indian man sits cross-legged barefoot on ancient stone temple steps in a meditative pose. He wears a white casual shirt and blue jeans with a rich royal blue shawl (dupatta) draped elegantly around his shoulders. Both hands hold a large framed portrait of Dr. B.R. Ambedkar at chest level. Behind him, a massive dramatic black silhouette of a meditating Buddha statue rises into the soft golden-haze sky, filling the entire upper background. Warm sunrise/sunset light creates a glowing atmosphere. Trees and temple structures softly visible in misty golden bokeh background.

LIGHTING: Warm golden hour sunlight from behind creating a divine rim glow around the subject. Soft fill light on face. Atmospheric haze and bokeh. Spiritual and serene mood.

CAMERA: Vertical composition. Low-to-mid angle. Ultra-realistic 8K DSLR quality. Sharp face. Soft background blur.

NEGATIVE PROMPT: dark background, cartoon, incorrect Ambedkar face, blur on face, distorted anatomy, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 6 : FACE LOCK — Use uploaded photo as only face reference. Face must remain exactly the same — no reshaping, no beautification. Preserve natural skin tone, pores, and hairline exactly.

DR. B.R. AMBEDKAR — Depicted as a glowing divine presence in the upper background: round spectacles, formal blue suit, golden sacred halo behind his head, right hand raised in blessing gesture (Abhaya mudra), calm powerful expression. Historically accurate face only.

SCENE: Epic cinematic vertical portrait. In the foreground, a young confident Indian man stands boldly, wearing a dark navy kurta with a royal blue sash draped diagonally across his body. He raises his right arm high, holding a large blue flag with the Ashoka Chakra (blue wheel on blue flag — Ambedkarite movement symbol). His face shows determination and pride. He smiles with strength. Behind him rises Dr. B.R. Ambedkar as a massive divine glowing figure surrounded by warm golden-amber radiance, bokeh light particles, and architectural pillars of a grand gothic-style hall. The floor has scattered golden embers and floating light particles.

LIGHTING: Warm golden divine light from behind Ambedkar. Dramatic side lighting on the flag bearer. Cinematic depth and atmosphere. Volumetric god rays. Ember particles floating.

CAMERA: Low-angle heroic perspective. Vertical 9:16 composition. Ultra-realistic 8K. DSLR sharp focus on face.

NEGATIVE PROMPT: cartoon, CGI, distorted Ambedkar, dark and muddy colors, blur, watermark, incorrect flag design.

ASPECT RATIO: 9:16 vertical

Prompt 7 : FACE LOCK — Use uploaded reference as only face source. Keep face 100% unchanged. No modification. Natural skin pores and realistic texture preserved.

DR. BABASAHEB AMBEDKAR — Standing behind the subject in historically accurate appearance: round black spectacles, formal navy blue suit, golden divine halo behind his head, right hand placed gently on seated person's head in traditional blessing gesture. Calm, wise, protective expression. No fantasy distortion.

SCENE: Ultra-realistic majestic cinematic portrait inside a grand gothic palace hall with tall stone pillars and warm amber firelight. The young Indian man sits on an ornate dark wooden throne, wearing a traditional Indian black sherwani or kurta. He holds a royal blue flag with "Baba Saheb" text and Ashoka Chakra in his hand. He looks directly at the camera with quiet confidence. Behind and above him, Dr. Babasaheb Ambedkar stands in his iconic pose, one hand resting gently on the seated man's head as a divine blessing. Golden glowing particles and light bokeh fill the air. The entire scene radiates warmth, royalty, and sacred empowerment.

LIGHTING: Warm golden bokeh light from fire sources. Soft rim halo lighting on Ambedkar Ji. Cinematic dramatic shadow contrast. Glowing particle atmosphere.

CAMERA: Slight low angle. Vertical centered composition. Ultra-realistic 8K. Professional cinematic color grading.

NEGATIVE PROMPT: cartoon, CGI, incorrect Ambedkar face, cold blue-only color, blur, plastic texture, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 8 : FACE LOCK — Use uploaded photo as only face reference. Keep all facial features identical — no reshaping, no smoothing, no AI beautification. Natural skin texture and proportions preserved.

SCENE: Ultra-realistic premium editorial portrait inside a grand classic library with dark mahogany wood paneling on walls. Floor-to-ceiling bookshelves filled with legal volumes. Warm amber chandelier lighting. Classic leather Chesterfield armchairs.

The young Indian man stands confidently in center, wearing a crisp white formal shirt with dark formal trousers and polished black shoes. He holds the Constitution of India book in both hands at chest level, looking directly at camera with quiet intellectual dignity. Behind him on the wall hangs a large imposing framed oil painting portrait of Dr. B.R. Ambedkar in his iconic blue suit — looking down with calm wisdom and pride. The atmosphere conveys scholarly respect, justice, and Indian heritage.

LIGHTING: Warm amber chandelier light. Soft directional key light on subject's face. Soft shadow behind subject. Subtle highlights on the Constitution book.

CAMERA: Front portrait composition, eye level. Vertical 9:16 framing. Ultra-realistic 8K DSLR quality. Sharp face and book. Soft bokeh background.

NEGATIVE PROMPT: cartoon, CGI, incorrect Ambedkar portrait, dark muddy background, blur, distorted anatomy, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 9 : FACE LOCK — Use uploaded photo as the only face reference. Keep face 100% unchanged. No beautification. Natural skin texture and features preserved in full realism.

DR. BABASAHEB AMBEDKAR — Depicted as an epic colossal divine figure filling the entire upper background sky: historically accurate face — round spectacles, neatly combed hair, formal navy blue suit and red tie. His expression is powerful, wise, and protective. He holds the Constitution of India book glowing with golden divine light. Behind his head, a massive sacred golden halo radiates beams of light across the dramatic stormy sky.

SCENE: Epic cinematic ultra-realistic digital mural portrait. The young Indian man stands in the foreground, small against the epic scale of the divine Ambedkar figure behind him. He wears a dark outfit with a royal blue shawl. His posture is confident and strong, fist slightly raised. Below him, rays of golden light emanate across a dark ground with blue Ashoka Chakra patterns. The entire sky behind Ambedkar is dramatic — deep blue and dark storm clouds with golden and white lightning. Blue and golden god-rays pierce through the clouds. Floating golden particles everywhere. Epic scale, revolutionary spirit.

LIGHTING: Epic scale. Massive golden back-lighting on Ambedkar Ji. Blue dramatic sky lightning. Warm golden light on the foreground subject. Cinematic volumetric rays.

CAMERA: Extreme low angle, looking upward. Ultra-wide vertical composition. 8K ultra-resolution. Cinematic HDR color grading.

NEGATIVE PROMPT: cartoon, anime, CGI plastic look, incorrect Ambedkar face, blur, low resolution, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 10 : FACE LOCK — Use uploaded photo as the ONLY face reference. Face must remain 100% exact same — no reshaping, no beautification, no AI modification. Preserve real skin texture, facial structure, hairstyle, age, and expression exactly as original. Ultra-HD face clarity, fully human look.

DR. B.R. AMBEDKAR — Historically accurate face from archival sources: round spectacles, side-parted hair, calm intellectual expression, blue formal suit. No exaggeration. Divine effect from lighting only.

SCENE: Hyper-realistic cinematic dark studio portrait. A young confident Indian woman in her mid-20s wears an elegant royal blue silk saree with a golden border. Hair neatly arranged in a traditional style with a blue dupatta. Her expression is serene, proud, and empowered. She looks slightly upward with reverence. Behind her, from deep darkness, Dr. B.R. Ambedkar appears as a towering divine guardian figure in his iconic blue suit — his right hand placed gently on her head in a traditional blessing gesture. Warm golden divine light radiates around his presence. Soft blue smoke curls around both figures. Floating gold particles fill the deep black background.

LIGHTING: Moody high-contrast cinematic. Warm golden rim light on woman. Cool royal blue divine aura behind Ambedkar Ji. Volumetric smoke and light beams. Deep dramatic shadows.

CAMERA: Low-angle vertical portrait. Center-weighted composition. Sharp facial focus. Cinematic shallow depth of field. 8K resolution.

NEGATIVE PROMPT: cartoon, CGI, distorted Ambedkar face, incorrect saree draping, blur, plastic skin, watermark.

ASPECT RATIO: 9:16 vertical

Prompt 11: Use the uploaded person as the main subject; keep face/skin tone/hairstyle/identity stable, photorealistic, high resolution.

Scene & composition: a premium modern lounge/living room, symmetrical wall panels and warm wall sconces on both sides. A long dark sofa with multiple accent pillows (olive green, gold, rust orange). A white marble coffee table in foreground.

The subject sits centered on the sofa in a relaxed confident pose (legs crossed), one hand lightly touching sunglasses/temple, calm expression. Full-body or 3/4 body visible.

Key element (dominant): above the sofa hangs a giant framed oil-portrait of Dr. B. R. Ambedkar as the main focal point, much larger than the subject. Ambedkar seated in a chair, wearing a blue formal suit with tie, round spectacles, neat side-parted hair, dignified intellectual expression. Classic museum-style portrait painting look inside the frame (realistic brush texture but still photoreal overall). The frame is elegant gold, perfectly centered.

Lighting & mood: warm cinematic indoor lighting, soft shadows, premium editorial look, shallow depth of field (subject sharp, background slightly softer), subtle film grain, clean color grading.

Wardrobe (subject): upscale semi-formal fashion.

ASPECT RATIO: 9:16 vertical

Prompt 12 : FACE LOCK – STRICT (MAIN SUBJECT) Use my uploaded photo as the ONLY face reference. Face must remain EXACTLY the same. Do NOT change: Facial structure, Eye shape, Nose, Lips, Skin tone, Expression. No beautification. No reshaping. No smoothing. Natural pores and realistic skin texture must stay visible. No AI stylization.

DR. B. R. AMBEDKAR – HISTORICAL FACE ACCURACY LOCK Dr. B. R. Ambedkar's face must match authentic historical photographs 100%. Accurate features: Round spectacles, Neatly combed side-parted hair, Calm intellectual expression, Blue formal suit. Natural realistic human proportions. No fantasy exaggeration. No superhero muscles. No distorted facial features. Divine effect should come only from lighting and smoke.

SCENE DESCRIPTION Hyper-realistic vertical cinematic portrait in a dark black room. Her left hand extends forward. From her palm emerges warm golden-yellow smoke mixed with white light. The smoke gradually transforms into the luminous realistic face of Dr. B. R. Ambedkar Ji — emerging from particles and light beams. The divine face appears guardian-like but calm and dignified. Smoke gently wraps around both figures. Background remains deep black with subtle haze.

LIGHTING Strong cinematic contrast. Warm golden glow from smoke illuminating her face. Soft rim light outlining her saree. Blue subtle aura behind Ambedkar Ji's manifestation. Volumetric smoke beams. Moody, intense, powerful.

CAMERA & QUALITY Vertical portrait composition. Low-to-mid angle cinematic framing. Ultra HD 8K clarity. Sharp facial focus. DSLR realism. Hyper-detailed skin and fabric textures. No CGI look.

TEXT / SIGNATURE Add "Geminipromptshub.in" at the bottom-left corner, HANDWRITTEN SIGNATURE-STYLE typography, thin cursive strokes, small size, subtle premium elegance, white or soft off-white color.

ASPECT RATIO: 9:16 vertical

Prompt 13 : FACE LOCK – EXACT MATCH REQUIRED Use my uploaded reference image only. Face must remain 100% unchanged. No beautification. No reshaping. No smoothing. Natural skin pores and beard texture must remain visible.

DR. BABASAHEB AMBEDKAR – REALISTIC PORTRAIT LOCK Ambedkar Ji must look exactly like real archival photographs: Correct facial proportions, Round glasses, Blue suit with proper formal styling, Calm dignified facial expression, Constitution book visible and realistic. No fantasy distortion. Divine effect should come from lighting only — not facial exaggeration.

SCENE CONCEPT Ultra-realistic cinematic dark studio scene. The man stands confidently in foreground, head slightly bowed. Thick smoke drifting around legs and shoulders. Soft sparks floating in background for intensity. Behind him, from the darkness, Dr. Babasaheb Ambedkar appears as a massive guardian presence. One powerful hand rests gently on the man's head. Soft blue divine light radiates from behind him. The Constitution book glows subtly but realistically. The entire scene conveys motivation, empowerment, and strength.

LIGHTING DETAILS High-contrast moody lighting. Warm key light on main subject. Cool blue rim light around Ambedkar Ji. Volumetric fog beams. Deep dramatic shadows.

CAMERA & COMPOSITION Low-angle dramatic perspective. Center-weighted vertical composition. Sharp facial focus. Shallow cinematic depth of field. Ultra-detailed 8K resolution. Professional cinematic color grading.

TEXT / SIGNATURE Add "Geminipromptshub.in" at the bottom-left corner, HANDWRITTEN SIGNATURE-STYLE typography, thin cursive strokes, small size, subtle premium elegance, white or soft off-white color.

NEGATIVE PROMPT incorrect Ambedkar face, stylized cartoon look, exaggerated muscles, superhero armor, over-smooth skin, blur, plastic texture, extra limbs, distorted anatomy, watermark (except signature), oversharpened edges.

ASPECT RATIO: 9:16 vertical

Prompt 14 : Use the uploaded person as main subject; preserve exact facial likeness, skin tone, hairstyle, identity (no beautify/no reshape). Photorealistic, cinematic.

Scene: grand library hall with tall shelves, warm wall lamps, soft haze, volumetric light rays.

Composition: The figure stands in the foreground (from three-quarter to full-length), confident and respectful, with his gaze slightly directed at the camera. Behind him, a large portrait of Ambedkar hangs on the main wall.

Ambedkar: historically accurate face and proportions, round spectacles, neat side-parted hair, calm dignified expression, blue suit + tie, realistic skin texture (no fantasy muscles).

Wardrobe/props (person): blue shawl draped over shoulders; wear a small round badge that clearly reads "Jai Bhim" (clean sans-serif, legible).

Lighting: warm-gold key with cool ambient fill, strong contrast, premium film color grade, crisp faces, shallow DOF.

ASPECT RATIO: 9:16 vertical

Prompt 15 : Use uploaded person as main subject; keep face/skin/hair EXACT (no beautify/no reshape). Photorealistic + epic cinematic.

Scene: vast open plaza at night, giant monumental statue of Dr. B. R. Ambedkar towering in the background (fills upper 2/3 frame). Stormy epic sky with lightning forks behind the statue, dramatic clouds, rain mist, wet ground reflections, volumetric god rays.

Ambedkar statue (historical accuracy): transform Ambedkar into a 3D monumental sculpture (bronze/stone), round spectacles, side-parted hair, calm dignified expression, blue suit form carved into statue style; sharp sculpted details, realistic scale, dramatic rim light and lightning highlights, no fantasy exaggeration.

Foreground: The figure stands in the foreground, wearing a blue shawl, holding a large blue flag, wearing a clear badge reading "Jai Bhim" (legible). Pose: respectful, confident, looking up toward the statue; wind moves shawl/flag fabric.

Lighting: lightning as strong backlight + cool moon fill + subtle warm practical lights on plaza edges, cinematic contrast, ultra-detailed textures, 4K/8K look.

Negative: no face drift, no altered identity, no wrong Ambedkar features, no extra fingers/limbs, no warped statue scale, no blurry text on "Jai Bhim", no logos/watermarks.

ASPECT RATIO: 9:16 vertical
